Mr. Robert Speer

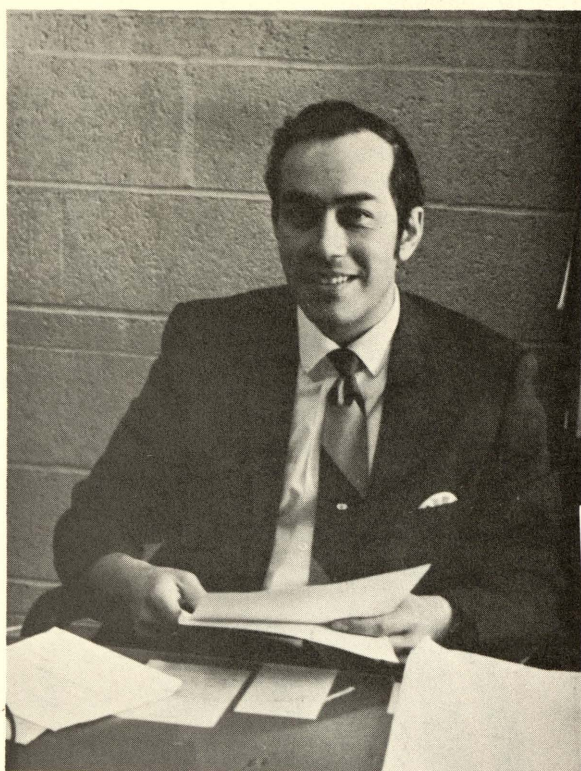

Dear Arthur Eddy students and staff:

Congratulations and Best Wishes to all pupils who have successfully completed this school year and are moving on to the next challenge as a higher grade level.

To those of you who have in some way contributed in making our school a better place, extra congratulations and a "well done". This list includes all who have taken parts in clubs, assemblies, athletics, programs, honor roll, and helping others in general. A special thanks to our complete staff who have given of themselves in our recent financial crisis.

When you contribute some good to others, you automatically increase your own well being.

Thanks Sincerely,
Robert Speer, Principal

SCHOOL YEARBOOK

I sincerely hope and trust that the years you have spent at Arthur Eddy have been rewarding and enriching to each of you.

The next school year will be very important, especially to all our ninth graders. This will be your first year in high school which is so vastly different from junior high. You will be faced with many complex problems and experiences.

I trust that while here at Arthur Eddy you have obtained the necessary tools and wisdom, that will enable you to compete and be successful during your high school years.

Sincerely yours,

A collage of black and white photographs of students, with the word "STUDENTS" written vertically in large, bold, white letters across the center. The photos show students in various settings: performing on stage, playing instruments like guitars and drums, and in casual poses. The collage is framed by a red and white checkered border on the left side.
